How Are Teams Selected?

TFA executive coaching staff determines how many teams we will field, and at which level each team will play. Existing TFA Players are rated throughout the season by our coaching staff and placed according to their ability.

When Will I Be Notified?

You will receive an email from Demosphere within 72 hrs after your tryout. Note: you must be registered for tryouts in Demosphere to receive your offer. If you do not receive a notification within this timeframe, please contact the Director of Coaching for your age group (see list provided on left).

Requirements for Acceptance and Demosphere Registration

Players offered a position with the club will receive an email from Demosphere with their team assignment. The email will include a link to Accept the offer. The link will take you to the Demosphere site and prompt you to login to your account so that you can complete the rest of the registration. If you do not wish to accept the offer, please click on the Decline link in the email.

You will be prompted to pay club fees during registration. You will have the option to pay in full or select an installment payment plan that includes a required deposit. You must accept via your Demosphere account and pay the required deposit to secure your spot on the team.

TFA Select Programs

TFA teams are broken-down into our **Youth, Premium and Club Programs**. [Visit the Members>Fees page of our website for an explanation of each program.](#)

Fees consist of club fees and team fees.

Club Fees include: league fees, player cards, coaching/training, field rental, maintenance and equipment and league referee coordinator fees. The club fees will be paid directly to the club via online payment. Club fees vary based on the TFA select program and age group. [Visit the Members>Fees page of our website for details of fees for the 2022-2023 season.](#)

Team Fees include: league referee fees, tournament fees and other costs specific to the team. The team fee is paid via check to the Coach or Team Administrator of your team. The team fee varies by team depending on the number of players on the team and the number of tournaments your team plays. Team fees range from \$100 and up per player per season. The team fees will be due prior to the start of each season.

Uniforms:

Only players new to the club will need to purchase a uniform. [Refer to the Members>Uniforms page of our website for details on what you must order and how to place your order online with Soccer Village.](#)
