

**2nd Annual
TFA Golf Outing
September 22nd, 2023
Sugar Ridge Golf Course**

Total Futbol Academy is committed to total player and personal development, on and off the field. Our comprehensive approach creates an environment that enriches the lives of our players, parents, and coaches, and bolsters a strong sense of community.

We were extremely excited to use 2022 proceeds to award \$9,000 in scholarships for our college bound players as well as make capital investments into our facility access roads and fields. Proceeds from our event will continue to support college scholarships for graduating players, family aid scholarships, field maintenance and capital improvements.
